August 4, 2021

Dear U.S. Building Insulation Customer:

Johns Manville is announcing a price increase effective **September 1, 2021**. The price increase applies to the following products:

Sheathing Products	% Increase
AP™ Foil-Faced Polyiso Foam Sheathing	8%
CI Max® Polysio Foam Sheathing	8%

Building Insulation is discontinuing its R-Panel offering for the foreseeable future due to overwhelming demand.

This price increase will apply to all orders shipped on and after **September 1, 2021** regardless of the date of order placement. Please check with your Customer Advocate as this date approaches for information on current product lead times.

Johns Manville recommends placing orders early. Johns Manville reserves the right to monitor all orders placed between now and the date of increase and limit quantities if necessary.

If you have any questions about the implementation of this increase or material substitutions for R-Panel, please contact your Sales Representative or Account Manager. Thank you for your ongoing support of JM products.
