To Our Valued Customers:

The continued inflationary pressures of diesel fuel, pallets, freight, and labor over the past year have forced us to increase price on all Levelrock® and Durock® Floor Prep powder products on all shipments on and after Monday, June 27, 2022.

We truly appreciate your understanding and loyalty during these challenging times as markets continue to be unpredictable.

Your local USG Gypsum Solution Sales Representative will be contacting you to discuss the specifics around all products included in this price increase.

We appreciate your business and look forward to continuing to serve you.

Sincerely,
