

## Price Increase Effective November 15<sup>th</sup>, 2022

### To Our Valued Customers:

First of all, I would like to thank you for your continued support of TAMLYN and our great products. In this market of uncertainty, we have continued to see increases from our Asphalt Flashing Tape supplier and have reached a point where we must pass on a portion of the increases that we have incurred. The increases that we have been absorbing are mainly due to Upward Inflationary Pressure from Increases in Labor Costs and Continued Supply Chain Issues. Due to these factors, we will be raising our prices on our Asphalt Flashing Tapes by 5%.

**This increase will go into effect for orders received on or after November 15th, 2022.**

Your Tamlyn Representative and our inside sales team will communicate the changes to you as they are finalized for your products. If there are additional increases necessary on some categories in the future we will try to provide as much notice as possible, but cannot and do not guarantee any specific notice period.

Thank You for your continued support of TAMLYN. We look forward to building the future together.

### THIS INCREASE WILL AFFECT THE FOLLOWING PRODUCTS

- WS25-4 (XtremeFlashing™ Multi-Purpose Flashing Tape - 25 Mil 4 x 75' - 9/BX)
