

Valued Customer,

As you are well aware by now, our industry is continuing to experience frequent & sporadic material cost increases that subsequently drive tool & accessory costs up. Increase percentages and advanced notice are inconsistent at best; some suppliers are offering 15-30 days notice, others are not.

With that said, please note the following Manufacturers/Suppliers will be experiencing increases within the next 15-30 days (Approx. 6/20/22 or 7/1/22). Please contact your Sales Rep for specific details* on these increases.

June 20th:

NoCoat & Levelline (Variable Price Changes, Speak to Your Wind-lock Sales Rep for Details)

July 1st:

Bosch Rotozip Tools & Accessories (Approx. +5% to +20%)

Caddy (Approx. +3% to +9%)

Magnolia Brush (Brushes Approx. +3% to +7%)

Magnolia Brush (Poles Approx. +11.6%)

Tajima (Variable Price Changes, Speak to Your Wind-lock Sales Rep for Details)

Thank you for your understanding, patience and support as we all continue to navigate the material shortages & cost increases as best we can. We wish you and your business success and prosperity in 2022.

Regards,

-Team Wind-lock
