Due to the rapid rising cost of raw material, energy, and freight, Mill Steel Framing will implement a minimum price increase of 10% of all products on May 2nd, 2022. We will continue to monitor the Mill activity as other increases may be necessary to offset these rising costs.

We will honor all active quotes in accordance with our current quote policy and will be adhering **100%** to our quote policy. New price sheets will be sent out following this announcement. We greatly appreciate your continued support.

Sincerely,
