Price Increase Announcement

To Our Valued Customers:

Due to the rapid rising increases from the Domestic Mills, Mill Steel Framing will implement a minimum price increase of 15% of all products on September 1st, 2021. We will continue to monitor the Mill activity as other increases may be necessary to offset these rising costs.

We will honor all active quotes in accordance with our current quote policy and will be adhering 100% to our quote policy. New price sheets will be sent out to reflect this announcement.

We greatly appreciate your continued support.

Sincerely,
