Price Increase Announcement
Effective April 3rd, 2023

To Our Valued Customers:

Due to the rising cost in raw material, Mill Steel Framing will implement a minimum price increase of **15%** for all products on **April 3rd, 2023**. This amends our February 27th announcement, reflecting the significant elevation in steel pricing we have experienced in the past several weeks and additional increases imposed by our supplying steel mills over that period. We will continue to monitor the Mill activity as other increases may be necessary to offset these rising costs.

We will honor all active quotes in accordance with our current quote policy and will be adhering 100% to our quote policy. New price sheets will be sent out following this announcement. We greatly appreciate your continued support.

Sincerely,

Mill Steel Framing
