RE: 2022 MAY Price Increase

To Our Valued Customers

In response to recent increase announcements from the domestic steel mills, Super Stud Building Products will be increasing prices by a minimum of 10% on all steel products on deliveries on or after May 2nd, 2022.

Super Stud Building Products will honor all UNEXPIRED quotes in accordance with our quote stipulations and policy.

Please contact the Super Stud South sales office to review any pending job quotes or if you have any questions.

Thank you for your business and continued support.
