

January 9, 2026

Dear Valued Partner,

Thank you for your continued support of Franklin International and the Titebond line of products. We are grateful for our partnership and appreciate the trust you place in us. Since our last increase in July of 2022, we have worked diligently to offer the highest quality products at the best market price available. I regret that ongoing increases in the cost of materials, labor, operating expenses, and overall business support have reached a point where a modest price adjustment is necessary. A price adjustment is not something that we regularly do, nor was this decision made lightly. We recognize the competitive market that we are all operating in; however, these changes are required to ensure we can continue to meet our standards of quality, reliability, and service.

Effective Date: February 1, 2026

Range of Increase: 3%-5%

Products: Glues, Construction Adhesives, Caulks & Sealants, Foams & Accessories

Order Requirement: All orders must be placed by January 30<sup>th</sup> for immediate shipment

Franklin International remains committed to maintaining efficiency at every level of our business, and we will continue with this focus moving forward. Please do not hesitate to contact your Franklin International representative regarding any questions about the specifics of this increase at 800-877-4583 or via email.

Thank you for your support. We look forward to our continued partnership.

Sincerely,

Scott Bowen  
Sr. Vice President of Sales  
Construction Products Division
