Price Increase Announcement

Dear Flex-Ability Concepts Customer,

Due to increased material and business costs, we find it necessary to increase the prices of our products. The increase will be less than 5% but will vary slightly depending on the product. The new prices take effect 1 July 2026. All quotes given after today, for delivery July 1 or later, will use this updated pricing.

Shipping orders the same day they are received remains a top priority for us, and thanks to the continued support of our suppliers, we are still able to achieve this for nearly all orders.

We are grateful to you, our dealers and distributors, for your support. Thank you.

Best regards,

Robert Widmer
