PRICE INCREASE NOTIFICATION

July 27, 2026

To Our Valued Customers:

As domestic steel costs continue to rise along with freight, NBP **will raise prices on all Steel and Zinc products in all markets, effective September 1, 2026. This is in addition to the August 3rd increase.** As always, all pricing is based on date of shipment and not order placement. New price lists will be issued in the next few weeks. Job quotes that have been awarded to NBP will be honored per our quote policy. Any job quotes that have not been awarded will be deleted and will require a new quote.
