

July 17th, 2026

To Our Customers:

Due to increasing manufacturing costs, effective with shipments on and after **Monday, August 17**, USG will increase its prices on the following products:

- **All steel products** manufactured by Phillips Manufacturing.

Note: We will continue to honor all valid signed Phillips job quotes with the appropriate escalators.

Your sales rep will provide you an updated price list which will be effective Aug 17th.

Please contact your Sales Representative if you have any questions. As always, we thank you for your business and support for USG products.

Sincerely,

A handwritten signature in black ink that reads "John M. Pappas".

John Pappas
Vice President of Sales, Commercial
United States Gypsum Company
