Pricing Update effective 9/1/2026

Dear Valued Customer

As part of our ongoing commitment to providing exceptional products and services we periodically review our pricing structure.

Due to the increases in raw materials (resin) as a direct result of exogenous geopolitical events, we are forced to adjust our prices effective Sept 1, 2026. We have absorbed increases throughout the year however the rate, and breadth of cost increases require us to make adjustments at this time.

Effective 9/1/2026 our Increases will be as follows on the following respective products:

Netting 7% (ECONOMY, BUILDER), 12% PROFESSIONAL

VAC BAGS 5%

SUITS 5%

This will enable us to continue to delivering reliable service, product quality, and support you have relied on from Insulation Fabrics.

We appreciate your business and look forward to continuing our partnership. Please reach out if you would like to discuss how this change affects your account.

Thank you for your understanding and support.

Best Regards,

Peter Kohm

Manager
