

August 14, 2026

To Our Customers:

Due to continued increases in packaging costs, USG will increase prices on the following products for shipments on or after September 14th, 2026:

- **All interior finishing products packaged in pails**, which includes all Joint Compound, Texture, Primer, Plaster and Accessories products.

Your sales rep will provide you an updated price list which will be effective September 14th.

Please contact your USG sales representative if you have any questions. As always, we thank you for your business and support for USG products.

Sincerely,

A handwritten signature in black ink that reads "John M. Pappas".
