Price Increase Announcement

Dear Flex-Ability Concepts Customer,

Due to increased material and business costs, we find it necessary to adjust our product pricing effective November 1, 2026. All quotes issued for delivery on or after November 1 will reflect the new pricing.

Providing dependable service remains a top priority. With the continued support of our suppliers, we are pleased to continue shipping nearly all orders the same day they are received.

Thank you for your business, your partnership, and your continued support.

Best regards,

Robert Widmer
