PRICE INCREASE NOTIFICATION

October 2, 2026

To Our Valued Customers:

Niles Building products will increase all Steel and Zinc products in all markets, effective November 2, 2026. This is in addition to the October 1st price increase.

This is necessitated by increasing steel, energy and transportation costs. All pricing is based on date of shipment and not order placement. New price lists will be issued in the next few weeks. Job quotes that have been awarded to NBP will be honored per our quote policy. Any job quotes that have not been awarded will be deleted and will require a new quote.

If you have any questions, please contact your Niles Representatives.
