PRICE INCREASE ANNOUNCEMENT

To Our Valued Customers,

At **Steel Construction Systems**, we truly appreciate your trust and continued partnership. Due to ongoing price increases from domestic steel mills, energy and transportation costs, in order to keep delivering the quality and service you expect, we will be implementing a **price increase on all products**, effective **for deliveries starting November 2nd, 2026**.

All existing quotes will continue to be honored in line with our **job quoting policy**. If you'd like a copy of this policy or your updated price sheets, please reach out to your **Steel Construction System sales representative**—we'll be happy to assist.

Thank you for your ongoing support and loyalty. We look forward to continuing to serve you and your business needs.
