Price Increase Announcement

To Our Valued Customers:

As we continue to receive price increases across the board on raw materials and freight this year, Trim-Tex will need to implement a price increase that will average 10% on all finished goods. Some products will be above or below the 10% average based on the need for that product line. The increase will go into effect on all shipments occurring on or after Monday, July 18th, 2022. We will distribute updated price sheets no later than Wednesday, July 6th, 2022.

The Trim-Tex family thanks you for your continued business and support. Please feel free to contact your local Trim-Tex Sales Representative if you have any comments or questions.
