Additional Price Increase Announcements

To Our Valued Customers:

Due to continued increase announcements from domestic steel mills, ClarkDietrich will implement two minimum price increases of 10% on all products for all markets effective:

- **February 1st, 2021**
- **March 1st, 2021**

These increase announcements are in addition to our January 4th, 2021 increase announcement.

ClarkDietrich will continue to honor all existing quotes in accordance with our current job quote policy. As a reminder, job quotes that are not committed within 30 days after issuance are invalid and will be requoted to reflect new price levels upon request. A copy of our policy can be found on our website at:
www.clarkdietrich.com/support-tools/sales-forms.

New price sheets reflecting these increases will be distributed prior to the increase date. If you have any questions, please contact your local Sales Representative.

Thank you for your continued support.

Sincerely,
