Re: Price Increase Announcement – 10% Effective With Deliveries On April 2, 2023

Due to rising costs of freight, labor, packaging materials, and steel costs, Marino\WARE will raise prices 10% on all steel products, effective with deliveries on or after April 2, 2023. **This will be in addition to the March 1 price increase announcement.** Job quote escalators will also appear on the announced increase dates.

Marino\WARE will honor all quotations activated in accordance with the “Quote Policy,” which is published on our website www.marinoware.com.

We urge you to review any open job commitments with your customers and your Marino\WARE sales representative.

Thank you for your continued support!
